Every graded set, every week — 4 weeks, 20 two-page sheets, with an answer key after each week.

WEEK 1

WEEK 2

WEEK 3

WEEK 4

HOW TO USE IT

One page per day. Warm-Up is recall, Core is the graded tier, Challenge is never graded — the score box counts the graded items only. The same items appear in the app's Practice Bay, so a day can be done on paper or on screen, not both.

Tenths and Hundredths

Answers are whole numbers. When a question says "in hundredths" or "in cents", type just that count.
