HOW TO USE IT

One page per day. Warm-Up is recall, Core is the graded tier, Challenge is never graded — the score box counts the graded items only. The same items appear in the app's Practice Bay, so a day can be done on paper or on screen, not both.

Tenths and Hundredths

Answers are whole numbers. When a question says “in hundredths” or “in cents”, type just that count.

Warm-Up 5 ITEMS • RECALL

1 $200 + 300$

2 $450 + 50$

3 $600 - 200$

STOP RULE Do the first **six**. All six right? Stop and turn the page over. Missed any? Keep going until you get **five** right in a row.
