HOW TO USE IT

One page per day. Warm-Up is recall, Core is the graded tier, Challenge is never graded — the score box counts the graded items only. The same items appear in the app's Practice Bay, so a day can be done on paper or on screen, not both.

How Many Fit

Estimate before you divide anything.

Warm-Up 12 ITEMS • RECALL

1 How many 10s in 80

2 How many 20s in 60
